Boyd Elementary News

Volunteering at a school brings rewards for both the students and teachers who get much needed help with projects and activities. And where there is work to be done Boyd Elementary PTO parents and friends show up in a big way. On April 7, parents, students and Kohl's A-team joined forces to help get the garden boxes ready for the students to plant vegetables and flowers in them. PTO provided the peat moss, topsoil, compost and mulch; Boyd ISD provided the plants, and parent volunteers, students, teachers; and Kohl's A-team did the work to make our garden project a success! In addition, PTO donated \$250.00 and Kohl's donated 1500.00! We would like to thank all of the people who helped get this project up and running and a special thanks to our parent and Kohl's volunteers. Students have planted tomatoes, peppers, broccoli, green beans, onions, squash, bell peppers, marigolds, basil, peppermint thyme and a host of other garden plants. We look forward to harvesting many of these plants before the end of this school year and would like to invite everyone to stop by and check out our garden.

Boyd ISD School Board Approves 2010-11 Calendar

During the regular scheduled school board meeting on April 12, 2010, Boyd ISD Trustees approved the **school calendar** for the **2010-2011** school year.

To view the calendar, please click on the link below:

http://www.boydisd.net/10221061110286363/lib/10221061110286363/2010-2011_School_Calendar.pdf

The board also approved a **revision** to the **2009-2010** calendar to make up instruction missed due to bad weather days earlier in the year.
