BHS Principal John Emshoff Named Superintendent

On Monday, July 19, 2010, the Boyd School Board approved a two and a half year contract for new superintendent John Emshoff. Mr. Emshoff has worked in Boyd for the past five years, the last two as high school principal. With Mr. Emshoff taking over as superintendent, there has been a realignment of principals in the district. Middle School Principal Shawn Bryans will serve as principal of the new high school opening this fall. Intermediate school principal Anke Bracey will now be principal of both Boyd Middle School and Boyd Intermediate School which will be located in one building. There will be one main office for both campuses located in the old Middle School office. Barbara Stice, who has spent the past several months serving as Interim Superintendent has returned to her role as Principal of Boyd Elementary School.

Thanks to the Moving Crews

On behalf of the administration and staff of Boyd ISD, we would like to thank all the community members, parents, students and staff for the outpouring of support during our recent moves to the new High School building and Intermediate building. Numerous individuals provided vehicles, trailers and labor that made the moves go extremely smooth. The district is so thankful to the entire community for providing assistance during our campus moves.
